Here one can find a quiet place to enjoy their holidays, as well as excellent conditions for sports and recreation, cafes, restaurants, pizza restaurants, discos and shopping areas. On the other hand, the mountain preserves lots of caves, traces of ancient civilisations, such as stone figures, sun discs carved in stone, Thracian dolmens, fortress walls and sanctuaries. Mount Papiya, in the south of the town, offers an additional tourists' attraction with the ruins of an ancient fortress.
