Welcome to celebrate our 2nd birthday together!

*Dear clients, architects, partners and friends,*

Already a year has gone by since our last birthday event. So again I'm glad to invite you to our second birthday. Another year full of new projects and lots of work.

This years event will bring new ideas concerning ergonomic working. Specialists from UK, Germany, Switzerland and Bulgaria will improve your knowledge on healthy working. There will be a chance for you to win an ergonomic chair. We would like to invite you to be our guest and celebrate our birthday with us. Be inspired by ideas on ergonomic working.

Looking forward to seeing you.

*Kind regards,*

Peter Hegi
