Regional Consular Centre South-East Europe – context of creation

- Reorganisation of network of Swiss representations abroad:
- adapt Switzerland's diplomatic presence throughout the world to the changing political and economic circumstances
- no additional financial resources
- creates margin for dealing with new needs within the network
- enables Switzerland to maintain a bilateral presence for safeguarding its interests on location

Regional consular centres in Europe

- **Balkan (Pristina):** Albania and Kosovo (since 01.04.2011)
