To whom it may concern:

St. Sofia Golf Club & SPA became a member of the Bulgarian – Swiss Chamber of Commerce in early 2013, throughout which time we had the chance to attend many events organized by the Chamber. The atmosphere at the events was very pleasant and they were the perfect occasion to network with ease. I strongly recommend to potential members to take-up on all of the opportunities the Bulgarian – Swiss Chamber of Commerce has to offer.

Sincerely,
